

Examples of e-Mails from Predatory Journals

Subject: Submissions are open for Journal of Drug Design and Development

Greetings from our journal!

We guess you might be busy with your research. Could you please just hit me back with a number 1-2-3-4 that best describes your response?

1. Too busy, email me again in a month please.
2. I will write you back in a week.
3. Interested, please provide more details.
4. I have a manuscript, I can submit.

Please do not hesitate to ask any other queries.

Call for Paper:

Journal of Drug Design and Development is an open access, peer reviewed journal that discusses about various disciplines covering but not limited to molecular modeling, clinical research, drug discovery and design, process of drug discovery, pre-clinical research, clinical trials and obtaining regulatory approval to market the drug, etc.

Please submit your manuscript: Online Submission or through an email attachment.

Ready manuscripts can be submitted immediately.

Awaiting your positive response.

Subject: Request for Article

Good Morning!

We are hoping you are fine and safe in this pandemic situation. Can we expect an article for our forthcoming **Volume 3 Issue 3**? Also, we are charging only **\$199** towards every received article by the **1st week of February**. Kindly acknowledge this email in 24hrs.

New year wishes from **Open Access Journal of Biomedical Science (OAJBS)**!

Subject: Respectively release your valuable article

Hope this mail finds you well. I am gladly inviting you for an excellent opportunity to publish your manuscript in our journal.

We wish to inform you that with a minimal processing fee you can publish your hard work and make it available to the worldwide scientific community. You can submit your assiduous work in our reputed journal International Journal of Cancer Science & Therapy (IJCST) .

Our publication charge is 1099 Euro, which we are currently not taking. I am happy to inform you that you can take this opportunity before 29th January. If it is of your convenience, you can go ahead and submit your article (Research, review, Opinion, etc.) to us.

Hope to hear from you soon.

Subject: Contribute for development

JOURNAL OF RADIOLOGY AND RADIATION THERAPY
ISSN: 2333-7095

Glorious wishes for the day!

We would like to earnestly approach you on behalf of **Journal of Radiology and Radiation Therapy**, focusing on publishing Advancements in research that enables to have a healthy society.

Knowing that your expertise falls under the scope of the technology used in radiation, we are pleased to say that one of our existing authors' recommended your important work entitled "**Media Coverage of the Benefits and Harms of Testing the Healthy: a protocol for a descriptive study**", worth to read.

We would like to seek your cordial alliance as a prospective researcher submitting any of your recent work for publication in the forthcoming issue release. Looking forward for your important response
