

The Budapest public transportation

The Budapest public transportation system is called **BKK**.

Tickets can be bought at [ticket vending machines](#) or via the Budapest GO app ([Android](#), [IOS](#)). Please note if you buy a single-use ticket (or a pass via the app) **you need to validate them** before your journey! Here is more information on the different [ticket types and prices](#).

- We recommend using the 72 hour ticket (5500 Ft ~ 14,50 €), which can also be purchased at the ticket vending machines or via the APP
- Important note – the airport bus 100E is not included in any tickets, you need to purchase a special airport transfer ticket.

Learn more about how to validate your ticket by watching this video:

<https://www.youtube.com/watch?v=Db5dLQS-YpE>

You might notice a person with a wide purple BKK arm band while travelling with public transportation. These are the inspectors who are there to check your ticket or pass. **Please make sure you show a valid pass/ validated ticket to them once they approach you.** In Budapest, the fine for public transportation is 25 000 HUF.

Taxis in Budapest

We recommend using a taxi from a recognized Taxi company, it is easiest to download the app of one of the official taxi companies (like Bolt, Budapest Taxi, City Taxi, Főtaxi and Tele5 Taxi)

We recommend avoiding a taxi with a Freelancer sign indicated in black colour on the door of the car (without a company logo). These taxis don't belong to any of the official taxi companies, and they may charge you 2-5 times more than the usual rate. There is an official taxi stand at the airport exit from customs.

How to get to the venue?

If you are coming directly **from the airport**, you can take bus 100E to Astoria metro station (1 stop ~35 minutes). At Astoria, you can change and take the M2 metro and follow the same route as someone who comes from the direction of the city centre. Please note you need to purchase a separate airport shuttle ticket to take this bus.

HUNGEXPO is located between two metro stops. If you are coming **from the city centre** take M2 metro in the direction of Örs vezér tere, you will have 2 options

- Get off at Pillangó utca and walk 12-15 minutes to the entrance
- Get off at Örs vezér tere where bus 10 the **EFIC shuttle** departs. The route of **bus 10** is to circle the HUNGEXPO, all of the stops are either the 2 metro stops or gates to HUNGEXPO. Please **get off at Gate 2 to access the conference**.

At Örs vezér tere, there are signs indicating the direction towards the HUNGEXPO. Please note these are signs to the HUNGEXPO. No EFIC logo will be displayed.

Bus 10 schedule during EFIC 2023

From Örs Vezér Tere to Gate 2
